Colour Chart

Holkham Linseed Paints offer a pallet of 25 attractive, natural shades, including White, not shown. Available in both c.100ml jars and 1litre cans, with an approximate coverage of 20 square metres per litre.

Here we also show you just a few of the myriad of colours which you can achieve by mixing, to inspire you to create your own unique shade of Linseed Paint. For a natural timber finish please see over for our Linseed Oil Wax.
